### LANGUAGES

English

Hindi

### SOFTWARES

Nuke

Mocha/Silhouette

Adobe Creative Suite

I have Right to work in UK(Graduate visa)

### PROFILE

I am a Compositor skilled in keying, tracking, CG integration, and delivering seamless visuals with strong eye for color, light, and cinematic polish, with a proven ability to optimise workflows under tight deadlines. 4 years of experience in After Effects and actively specialising in Nuke.

### EDUCATION

#### Master's Computer Animation

Kingston University

Sep 2024 - Sep 2025

- Proficient in Nuke with strong compositing skills
- experienced in 2.5D techniques, projections integrating 3D environments.
- Collaborate closely with 3D artists to streamline cross-department workflows.

#### Bachelor's computer Engineering

Kalinga University

Nov 2018 - Jul 2020

- Gained a strong foundation in programming, data structures, algorithms, databases, operating systems, computer networks, and software engineering, with exposure to AI, Machine Learning, and Web Technologies.
- Applied learning through team-based projects, labs, and internships, collaborating on software development, problem-solving, and technical presentations.
- Developed skills in project coordination, debugging, and technical documentation, ensuring the delivery of solutions aligned with academic and industry standards.

#### Josh parks Mentorship

Nov2025 - Present

Nuke Compositing

- Mastered core compositing workflows in Nuke including multi-pass compositing, CG integration with live action, advanced tracking (2D & 3D), keying/roto, invisible VFX, and subtle beauty work & paint removal.
- Developed a strong eye for color, light, cinematic polish, and photorealism learning how to match CG to plate, perform screen replacements, set extensions & digital matte painting, and produce clean, studio-ready shots.
- Gained practical exposure via multiple project files and bonus real-shot work, including study of AOVs, script examples, asset management, and iteration-based feedback to mimic real VFX production workflows.

### WORK EXPERIENCE

#### After effect Compositor

Sep 2020 - Jun 2024

Allen Career Institute | India

- Composited, roto'd, keyed, tracked, and cleaned shots, ensuring seamless integration of live-action and CG elements within tight deadlines.
- Optimized scene assembly and rendering pipelines in After Effects, delivering outputs with high efficiency and accuracy.
- Demonstrated strong problem-solving skills and attention to detail while working to a client brief.
- Collaborated across multi-disciplinary teams (Motion graphic artists, editors, marketing leads), assigning and coordinating tasks to meet strict delivery schedules without compromising quality.
